NYDIGITAL™
lighting + building technology

Representing New York's strongest portfolio of leading brands known for innovative, intelligent lighting, control and building technology solutions that enable an enhanced experience for building occupants and owners.

LIGHTING

90+ Lighting
90+ CRI, R9>50 LED lamps.

Aculux
Precision specification downlights, adjustables and multiples.

American Electric Lighting
Outdoor lighting solutions for utility, government, institutional, commercial and industrial markets.

Antique Street Lamps
Historical and transitional street lighting poles and luminaires.

Astro
Sleek, contemporay and classic lighting for hospitality, commercial and residential.

Barovier&Toso*
Since 1295, glass decorative luxury lighting company.

Custom Architectural Lighting Solutions (CALS)
Custom lighting; expert craftsmanship from concept to realization.

Eclipse Lighting
Indoor/outdoor, wet location, and vandal resistant fixtures.

Gotham Lighting
Comprehensive offering of specification grade downlighting.

Healthcare Lighting+
Healthcare specific products.

Healthe by Lighting Science*+
Healthe uses lighting science and technology to create solutions that support the health, well-being, and performance of people.

Holophane
Leading provider of highly-engineered lighting for industrial, commercial and outdoor applications.

Hydrel
Premium in-grade, underwater, fountain and façade illumination.

Impact Architectural Lighting
Tailored, transitional, commercial and hospitality, architectural pendants, ceiling mounts and sconces.

Indy
Commercial downlighting, cylinders, multiples and sign lighters.

Juno
Recessed downlights, track, step lights and linear task lighting.

KLIK USA
Small form architectural handrail, linear, pathway, and step solutions.

KW Industries
Quality steel lighting standards.

LEDCONN
Light panels, light boxes, edge-lit signage, flexible strips and other backlighting and linear solutions in RGB and white.

Lithonia Lighting
Broad line of indoor/outdoor lighting.

Luceplan
Consumer, technical, architectural and contract lighting fixtures.

Luma ilm (Heilux)
Thin,flexible planar LED light sheet.

Mark Lighting
Architectural linear, recessed, pendant, and surface mount options.

Martinelli Luce*
Inspirational, highly functional, and timeless lighting systems.

ModuleX
Modular specification grade, lighting tools with superior optics.

NewStar Lighting*+
Healthcare, correctional, high abuse.

Peerless
Leader in lighting technology offering indirect, direct and wallwashing.

Puro Lighting*+
Hospital grade UV disinfection on demand solutions.

Rebelle Lighting
A family of luminaires to complement the architecture of a project carried from exterior to interior.

Signtex
Architectural quality emergency lighting systems.

SLAMP:
Exclusive objects comprised of futuristic engineering and vision.

Solas Ray Lighting
Commercial, industrial, and hazardous location lighting.

Studio Italia Design*
Modern and classic Italian lighting.

Winona Lighting
Custom, decorative, asymmetric, landscape, color-changing, and commercial luminaires.

CONTROLS + IoT

Atrius
Internet of Things (IoT) Connecting systems, technology and people throughout the lifecycle of one's facility and unlock value-added building and business applications. Luminaires and edge devices enabled with Atrius lay the foundation for a scalable IoT infrastructure, allowing one to leverage one's building's sensory network.

Distech Controls
Energy management and building automation solutions for HVAC, lighting, shades and access control.

DTL
Outdoor photocontrols for roadway, area, flood, security and residential applications.

Fresco
High-performance lighting controls for architectural and dynamic lighting environments.

nLight / nLight AIR
Plug-and-play (wireless) controls for standalone and networked digital applications.

ROAM
Wireless network control technology for large scale site lighting applications.

Sensorswitch
Occupancy sensor, photocell and peripheral lighting control products.

Xpoint Wireless
Flexible lighting control system.

COMPONENTS + ARCHITECTURAL

Barrisol
Class I PVC, non-phthalate, organic and 3D form stretch ceilings used for lighting and acoustical solutions.

CarlStahl X-LED
Addressable media facade products and integrated substructure.

Crucial Power
Power Inverters in operation throughout the US in a wide range of applications.

IOTA*
Life saving emergency lighting solutions and powerful AC/DC converter/charger designs

Power Sentry
Technologically advanced emergency battery backup products for LED & fluorescent fixtures.

RELOC Wiring
Modular wiring.

Sunoptics
Daylighting, electric luminaires and advanced lighting controls combined for complete energy-efficient lighting solutions.
