LIGHTING

90+ Lighting

90+ CRI, R9>50 LED lamps.

acdc*

Innovative and dynamic façade lighting solutions.

Aculux^{RS}

Precision specification downlights, adjustables and multiples.

A-Light^{MD}

Specification grade interior, architectural lighting solutions.

American Electric Lighting

Outdoor lighting solutions for utility, government, institutional, commercial and industrial markets.

Barovier&Toso

Since 1295, decorative glass lights.

Cyclone

Quality, durable outdoor lighting.

Design Heure

Timeless lighting embodying the essence of French elegance and luxury.

Eclipse Lighting⁺

Indoor/outdoor, wet location, and vandal resistant fixtures.

Eureka^{MD}

Compelling architectural, acoustical, and decorative lighting solutions.

Gotham Lighting^{RS+}

Comprehensive offering of specification grade downlighting.

Healthcare Lighting⁺

Healthcare specific products.

Health by Lighting Science⁺

Health uses lighting science and technology to create solutions that support the health, well-being, and performance of people.

Holophane

Leading provider of highly-engineered lighting for industrial, commercial and outdoor applications.

Hydrel^{RS}

Premium in-grade, underwater, fountain, landscape and façade illumination.

Impact Architectural Lighting

Tailored, transitional, commercial and hospitality, architectural pendants, ceiling mounts and sconces.

Indy^{RS}

Commercial downlighting, cylinders, multiples and sign lighters.

Juno

Recessed downlights, track, step lights and linear task lighting.

KLIK USA

Small form architectural handrail, linear, pathway, and step solutions.

KW Industries

Quality steel lighting standards.

LEDCONN

LED light panels, light boxes, edge-lit signage, flexible strips and other backlighting and linear solutions.

CONTROLS + IoT

Atrius

Internet of Things (IoT) Connecting systems, technology and people throughout the lifecycle of one's facility and unlock value-added building and business applications. Luminaires and edge devices enabled with Atrius lay the foundation for a scalable IoT infrastructure, allowing one to leverage one's building's sensory network.

Distech Controls

Energy management and building automation solutions for HVAC, lighting, shades and access control.

DTL

Outdoor photocontrols for roadway, area, flood, security and residential applications.

Fresco

High-performance lighting controls for architectural and dynamic lighting environments.

nLight / nLight AIR

Plug-and-play (wireless) controls for standalone and networked digital applications.

ROAM

Wireless network control technology for large scale site lighting applications.

Sensorswitch

Occupancy sensor, photocell and peripheral lighting control products.

Xpoint Wireless

Flexible lighting control system.

Lithonia Lighting

Broad line of indoor/outdoor lighting.

LODES (formerly Studio Italia)

Since 1950 Italian manufacturer today celebrating modern, classic, and bespoke products.

Luceplan^{MD}

Consumer, technical, architectural and contract lighting fixtures.

Lumafilm (Heilux)

Thin, flexible planer LED light sheet.

Luminaire LED

Vandal resistant and high security confinement lighting.

Luminis

Indoor and outdoor innovative luminaires.

Mark Lighting^{RS}

Architectural linear, recessed, pendant, and surface mount options.

Martinelli Luce

Inspirational, highly functional, and timeless lighting systems.

ModuleX

Modular specification grade, lighting tools with superior optics.

NewStar Lighting⁺

Healthcare, correctional, high abuse.

Peerless^{RS}

Leader in lighting offering indirect, direct and wallwashing.

COMPONENTS + ARCHITECTURAL

Barrisol^{MD}

Class I PVC, non-phthalate, organic and 3D form stretch ceilings used for lighting, mirror, climate, and acoustical solutions.

CarlStahl X-LED

Addressable media facade products and integrated substructure.

Crucial Power

Power Inverters in operation throughout the US in a wide range of applications.

IOTA

Life saving emergency lighting solutions and powerful AC/DC converter/charger designs.

Puro Lighting⁺

Hospital grade UV disinfection on demand solutions.

Rebelle Lighting

A family of luminaires to complement the architecture of a project carried from exterior to interior.

Signtex

Architectural quality emergency lighting systems.

Solas Ray Lighting

Commercial, industrial, and hazardous location lighting.

Sun Spectrum

Lighting systems for Indoor Growers using tunable LED emitters.

Terzani Lighting

Luxury lighting that use sculpture, light, shadow, and motion.

Winona Lighting^{RS}

Custom lighting; expert craftsmanship from concept to realization. Restoration and replication.

Xicato*

Highest performance light sources, next gen flexible LEDs, tape, drivers, wireless solutions.

Zumtobel

International, innovative indoor and outdoor lighting.

Power Sentry

Technologically advanced emergency battery backup products for LED & fluorescent fixtures.

RELOC Wiring

Modular wiring.

Slalom Acoustic Systems^{MD}

Acoustic and Partition systems.

Sunoptics

Daylighting, luminaires and advanced controls combined for complete energy-efficient solutions

*New additions to the line card.

^{MD}Acoustical products

^{RS}Design2Ship 5-day shipping on select products.

⁺Healthcare related products.
